

LIBRARY AWARENESS COMMITTEE
Report to the Board
Louisville, Kentucky
June 4, 2011

I wrote a Spotlight article on Bill Wilson for Kentucky Libraries.

I have passed on information from the ALA Advocacy Office to the KLA List Serve.

I put together information on each of our representatives for the Kentucky representatives for American Library Association National Library Legislative Day.

I promoted ALA Legislative Day by sending out information and reminders on the KLA list serve for members to contact their representatives.

I attended the ALA Library Legislative Days May 9-10 in Washington D.C as part of the Kentucky delegation. I sent out information to the KLA and KPLA List Serves about the results of our meetings and wrote a newsletter item for the KPLA Advocacy Committee Newsletter.

I have requested a proclamation from the Governor's Office to designate the week of the annual KLA meeting, September 25 – October 1, 2011, as Kentucky Library Week.

I am preparing the information to mail to members and include in INFOCUS about the annual KLA awards.

License Plate Update:

As of June 1 Linda Kompanik has received 345 applications, up from 193 since the last report. We need 900 applications.

Respectfully submitted,

Debbe Oberhausen
Chair
